## The Solution for Slip and Fall Accidents

Our floor treatment reduces the risk and danger of slips/falls and the resulting potential for injury, lawsuits, litigation costs and employee days lost.

- Does your floor meet the minimum OSHA/ADA non-slip standards ?
- Slip-and-fall accidents account for over 300,000 disabling injuries per year in North America
- Slip-and-falls are the #1 accidents in hotels, restaurants, and public buildings

### What we treat:

- Pool Decks
- Showers/Tubs
- Ramps & Walkways
- Patio's & Foyers
- Hard surfaces, such as ceramic tile, glazed brick, marble, polished stone, terrazzo, river rock, concrete and quarry tile.
